

# Maidenhead Care

Good Neighbour Scheme

Dear Volunteers,

**CAMRA FESTIVAL THURSDAY, FRIDAY & SATURDAY 26-28 JULY NOON to 10.00pm.**

At Desborough College Maidenhead.

The organisers of the CAMRA Festival have chosen Maidenhead Care as the local charity that they will be supporting at the festival. One of our volunteers is the event organiser.

This event will generate some income but CRUCIALLY provide us with the opportunity to promote Care and more specifically provide opportunities to attract new Volunteers.

We will have collecting tins adjacent to till areas

We will have a merchandise / information stall / pop-up banners / new volunteer tri-fold leaflet

And we have been advised to mingle with the crowds with collecting tin and brochures in hand and engage in conversations.

Ideally 72 volunteers could each offer a 3-4 hour slot which would provide 2 people on site throughout the event.

Provisional time slots are noon to 3.30pm; 3.30 to 7.00pm and 7.00pm to 10.00pm

Please let me know by **7 June** how you would be willing to help us.

Quote Thursday, Friday or Saturday plus time slot(s)

If someone would be willing to run this project, please volunteer!

Email [maidcare@outlook.com](mailto:maidcare@outlook.com)

Look at the CAMRA web site for event details.

This event will give us a unique opportunity to reach 1000 to 2000 people. If the weather is brilliant on the Saturday significantly more people are likely to attend.
